Principal's Letter

Greetings Walter Reed families this week of Feb. 6th !

There will be some filming in our neighborhood and around campus Monday - Wednesday. Please take extra precautions to maintain traffic safety during drop off and pick up.

Celebrate our School Counselors during National School Counselors week; Feb. 6 - 10. Take a moment this week to write a note or pass on your appreciation to our school counselors who are dedicated to supporting your children's academic and social-emotional health.

Parents, please take a moment to complete the School Experience Survey which closes on February 7th. You may complete the hard copy form that your child brought home or go online and enter your child's ID number printed on the form. Look deep into those backpacks to retrieve the survey or contact our main office for more information on completing the survey.
Please complete the School Experience Survey by February 7th. These surveys provide valuable information for our school and this year there is a participation incentive offered by the District which will allow us to receive Chromebooks for our school if we have a 25% increase in participation! The deadline is February 7th but please help us to achieve our goal by completing the survey now. Please contact our school if you have any questions.

Once again, the deadline is Tuesday, February 7th. Please help us to achieve our goal by completing the survey now.

We had a great turnout for our CARE Monday collection last week! Please bring your plastic or aluminum recycling to our Sarah gate before or after school and remember that every Monday is a CARE Monday recycling collection.

And to build on our efforts to promote environmental awareness and activism, I'm excited to give a shout out to our 6th grade Environmental Science Academy for winning the LAUSD Middle School entry for the Save The Drop contest sponsored by the Department of Water and Power and the LAUSD Facilities Division. Ms. De Simone's class conducted a water conservation project utilizing the scientific method approach to analyze the effects of using handmade Olla pots for plantings. The class will be the recipient of a $50,000.00 award towards a project for the Environmental Science Academy. Congratulations and thank you students for making a difference for our school and our community! Thank you also to Ms. De Simone and Ms. Vodhanel for supporting our students in this unique and extraordinary learning experience.

STEAM Academy had a ribbon-cutting ceremony on Friday to officially launch their new STEAM lab! We are so proud of the achievements and hard work of our students, staff and parents. To quote Margaret Mead: "Never doubt that a small group of thoughtful committed citizens can change the world; indeed, it's the only thing that ever has.

WE MUST DO THIS TOGETHER!

We need your commitment to our school's general fund.

We also have BIG CHALLENGES Ahead - Our LAUSD budget creates a challenge to school staffing, like our School Nurse, Librarian, Dean, Technology Coordinator, SLC Staff, Counseling and additional class reduction Teaching staff. We need your help to support the PE, Music& Art Departments, Parent Center, SLC Office, Classroom supplies, assemblies, fieldtrips and more!!!

Help find business matching dollars to support REED & GIVE WHAT YOU CAN.

If you have already contributed to the Annual Giving Fund, THANK YOU.
If you have not had a chance to share yet, please know we need everyone's support right now.
