Our School Experience Surveys are a valuable opportunity for students, staff and parents to provide feedback on their schools. Please ask your child about the survey that they took home last week, which can be done by hardcopy or online. Please take a moment to complete this important survey. The data is used to make decisions on ensuring a safe school and a quality educational program for your children. Thank you in advance for your support and partnership!

Session 3 of the Reed After School Enrichment program (RASE) will start Monday, January 23rd. Application forms and class descriptions were sent home with students and you can learn more on our school website; reedms.com and click on the RNN link. We are offering exciting sessions, like Aerospace, Mechanical and Robotics Engineering, Musical Theatre, Yoga, Cooking, Debate, Sewing, Animation, and Martial Arts. The RASE program also provides Free Math Tutoring every Wednesday. We look forward to further engaging your child's curiosity.

Also on our website are highlights to what's happening on campus. **This week the Connecting Cultures Mobile Museum will be opening in the library on Wednesday for one week for our History classes. Join us this**

Thursday evening, from 5:00 - 7:00 pm, for our Grand Opening, where you can tour the exhibit with your child. This museum is unique and inspires understanding and respect for cultural diversity by letting students explore over 3,000 artifacts from around the world. Students will learn about historic and contemporary customs that reflect a diverse world community. We hope you can join us on Thursday between 5:00 -7:00 pm in our beautiful library for this extraordinary opportunity to experience something special with your child at their school.

We look forward to seeing you soon, and remember, I NEVER fail; I either succeed or I learn.
