PRINCIPAL's MESSAGE:

Greetings Walter Reed Families!

Our first week back for the Spring Semester was filled with launching learning activities, holding Academy and governing board meetings, and reuniting with friends and colleagues for the New Year.
Please check with the Parent Center to learn how you can be involved this semester in supporting our school, teachers, and community. Together we make a difference for our children!
Thank you for supporting our afterschool policy that requires all students who are on campus 20 minutes after dismissal to wait in the cafeteria/pavilion area for their pick up ride.
Finally, students who interested in free afterschool tutoring for Math or English should go to room 106 for information. Math Tutoring will be available Thursdays (starting 1-21-16) in the Library and additional Tutoring will start next month.

Have a wonderful week!

"I NEVER fail; I either succeed or I learn."
