## PRINCIPAL'S MESSAGE:

Greetings Walter Reed Families!

Did you know that this week is National School Counseling week? We are fortunate at Walter Reed to have three dedicated grade-level counselors and our new counselor, Mr. Daniel Cohen, who joined our team recently. Please take a moment this week to show your appreciation for the personal support our counselors provide to our students!

The School Experience Survey is now open online through lausd.net. We need ALL families to complete this brief survey to provide valuable feedback for our school program. The hardcopy version was sent home with your child last Wednesday and you have the option of completing the survey on paper and sending it back to school in the enclosed envelope. Our goal is 100% participation by the February 11th deadline and I thank you in advance for your support!

Parents, please note that there will be filming in the front of our campus this Wednesday, February 3rd. Irvine Ave. will be closed during the school day between Sarah & Landale, however the closure will take place after morning drop off and conclude before dismissal pickup. Please note that the parking lot will not be available to visitors and we ask that you use street parking. Finally, this week concludes with a free movie after school on Friday, February 5th! Our students have spoken and we will be showing ANTMAN! You can bring your blankets and lawn chairs to the cafeteria and enjoy treats to purchase at concession stands. Two things you'll need to remember; admission is free and because this movie is a rated PG13, students will need a permission slip or an adult to accompany them. Permission slips will be made available on campus all week.

Thank you and have a wonderful week!

*"I NEVER fail; I either succeed or I learn."*

Jeanne Gamba, Principal  
Walter Reed Middle School
