PRINCIPAL's MESSAGE:

Good evening Walter Reed Families!

It's that time of year again! **Check for the Annual Giving flyer that your child received and help us Create Possibilities at Reed!** We are asking everyone to pitch in and support our public school to raise money to maintain our technology, support our arts & music program, beautify our campus and so much more! Please participate at any amount you can to support our enrichment programs and our students success.

Have you visited our school website at reedms.com? The website is being updated regularly to include our school calendar, school announcements, links for Annual Giving, our new parent workshops, the District Meal Application, the Reed Network News, and this week the Shared Decision Making Council Self-Nomination forms will be available. Please consider participating as a member of our Council this year to have input on our school policies and funding. Five parent/community members and alternates compliment the Council configuration. Drop off your self-nomination in the Main Office during the week of September 21 and elections will take place Monday - Tuesday of the following week; September 28th - 29th.

Walter Reed will undergo a boiler replacement project that will take place over the next few months. Did you know our school was built in 1938? The new system will provide modern and efficient heating to our original building structures; not including our bungalow classrooms. Updates on the project will be provided as we progress, but be assured that this will not require any classroom changes.

To close, I am asking that during the drop-off and pick-up of

Bring drop offs to
Reed entry gates
every Monday
before and after
school.

Thank you
for recycling &
helping our school!

students we are all mindful of safety as a priority. Students should only use the crosswalk, driveways cannot be blocked, and U-turns are not permitted. LAPD will start issuing citations and we ask for your cooperation to ensure traffic and student safety.

And as a reminder, students are earning their Wolf Bucks when they use the vocabulary word-of-the week from the Agenda Planner. Come find Ms. Gamba in the Rose Garden during Nutrition and Lunch and demonstrate your use of the vocabulary word in a sentence and save your Wolf Bucks for a fun purchase at the Wolf Store sponsored by Ms. Washington.

Have a wonderful week, and don't forget there is NO SCHOOL on Wednesday, September 23rd.

I NEVER fail; I either succeed or I learn.
