Principal's Message

Greetings Walter Reed families!

We are celebrating our opening week of school, which launched our students into a new school year of academic excellence and enrichment classes. Thank you to our parent volunteers and our staff, both in and out of the classroom, for contributing to a smooth and successful school opening!

This week we have several campus events to highlight. Please visit our school website, reedms.com, to view details on our school calendar and postings. In addition, please register for the Reed Network News, also known as the RNN, on our website. This is an email newsletter sent on Sundays, which provides information on what is happening on campus.

Students who would like to run for a student council government position need to see Ms. Bugyik in room 112 on Monday to learn about filing their intent to run for office.

Parents who are interested in running for a position on Shared Decision Making Council may submit their self-nomination to Ms. Gamba by Wednesday, August 23rd. This committee meets on the second Tuesday of each month at 3:10 for one hour. We need at least 7 parents for this committee, which has input on building our school culture and will vote on proposals, such as special bell schedules. Your input is valued and we appreciate your support! Please call the main office if you are unable to submit your self-nomination in writing.

Please check our school website to review our school plan to ensure safety during the partial solar eclipse taking place tomorrow from 9:00 AM - 12:00 PM.

And now, a few campus safety reminders; during drop off and pick up, please do not block our neighborhood driveways or honk your horn; please make sure to stop at stop signs and do not make U turns; please do not use the teacher parking lot, and remember that after 3:30 students are picked up at the Colfax gate. Thank you for ensuring traffic safety for our students; your children.

We look forward to seeing you soon, and remember, I NEVER fail; I either succeed or I learn.

Solar Eclipse Announcement for this Monday, 8/21/2017

On Monday, August 21, 2017, for the first time since 1918, a solar eclipse will be visible on a path across the United States. In Los Angeles, we will experience a partial eclipse from approximately 9:00 am until noon.

Dear Walter Reed Families,

Please read the letter from Superintendent King that was sent home with your child on Friday regarding the solar eclipse event occurring on Monday, August 21st. At Walter Reed we will provide the following to ensure your child's safety during the eclipse:

- PE classes will be relocated to the covered pavilion area, gym, or fitness center
- PA announcements will be made in the morning reminding students not to look at the sun.
- All out of the classroom staff will be monitoring the students during passing periods.
- The Auditorium will be open to students who would like to remain indoors during Nutrition.
- Additional staff will be supervising during Nutrition ensuring that students are not looking at the sun.
- Students will be repeatedly reminded not to look at the sun via the PA and the staff.
- Students who do not follow safety rules will be escorted to the Auditorium, where they will remain, until the eclipse is over.
- ONLY STUDENTS WITH A SIGNED PARENT WAIVER MAY PARTICIPATE IN VIEWING THE ECLIPSE WITH NASA APPROVED EYEWEAR (SCHOOL PROVIDED OR BROUGHT FROM HOME).
- **Solar Eclipse Parent Waiver Form (English)**
