2016-2017, Week of Nov 7

Principal's Letter

Greetings Walter Reed families!

Thank you to everyone who contributed to our Rummage and E Waste Collection! Your donations will turn into fundraising dollars for our school! I also want to acknowledge the parents who helped coordinate, advertise, and supervise this event. Are you wondering how you can help support Walter Reed events? You can learn more by contacting the parent center! Come by room 106 or call the school and ask to be connected to our parent center.

Some of our parents also turned out to support our Career Day on Friday! Our school counselors coordinated this event for all Walter Reed students as a culminating activity for our October College & Career Awareness month. Thank you to our parent volunteers and counselors for providing an educational experience for our students!

Walter Reed is a polling station for this Tuesday's election. Please be aware that traffic will be impacted in front of the auditorium as the voting will take place in the foyer entrance. Friends Of Reed will have refreshments for sale on the front lawn. Students will also have the opportunity to participate in a mock election on campus. This is voluntary and will take place before school, during nutrition and lunch, and after school. Sponsored by our Shared Decision Making Council and our Associated Student Government, the mock election will provide Walter Reed students an opportunity to cast their vote for several candidates running for office and five California Propositions. This educational simulation is intended to encourage our students to be aware of the voting process as well as promote respectful treatment towards all individuals despite differing opinions.

Don't forget that this Wednesday at 7:00 pm is our PTSA/Friends of Reed COMMUNITY meeting. The Parent leadership are creating something different this time, and having an away meeting, at the Sylvan Learning Center in Sherman Oaks. The Sylvan Learning Center will be serving pizza and refreshments for our meeting, and will provide a robot building activity for our children as well. (Info below.)

Friday there is no school in observance of Veteran's Day, and students will receive their 15-week progress report card on Monday, November 14th.

We look forward to seeing you soon, and remember, I never fail; I either succeed or I learn.

Community Meeting Nov 9th - New Location

6:30pm at the Sylvan Learning Center (Food & Robotics fun planned)

MEETINGS: We have four Community meetings a year, PTSA combined with FOR, Friends of Reed. All parents are invited to come! We discuss plans, how best to implement/fund them, share our financial reports, and work together for the benefit of all of our students. PTSA, stands for Parent Teacher Student Association, as students can be active voting members of the organization in middle and high school. Walter Reed MS has had a PTA since 1957!

In September's meeting our Guest Speaker Megan Hyndman, of Honors Educational Services presented her program for tutoring and prepping students for scholastic and college exams.

Our second meeting of this semester is next Wednesday night, November 9th. We'll be doing something different this time, and having an away meeting, at the Sylvan Learning Center in Sherman Oaks. The Sylvan Learning Center will be serving pizza and refreshments for our meeting, and will provide a robot building activity for our children as well. We may also have a guest speaker arranged by FOR to enlighten us about supporting our student's learning.
