

RNN - Reed Network News For the Week of September 4, 2017

Principal's Message

Greetings Walter Reed Families!

A very big thank you to our teachers, staff, and parent volunteers for providing a successful Back to School Night event last Thursday evening. Despite the stormy hot weather, we had a great turnout and we enjoyed the opportunity to see all of our families on campus. In addition, many families visited our cafeteria for our fall chocolate fundraiser, PTSA, Friends of Reed, family resources, and to provide donations to the Hurricane Harvey Relief Fund. I am so grateful to the donations, which in one evening, totaled 16 boxes of clothes and school supplies and over \$1,000.00. It's so inspiring to see what we can accomplish to help others in need! We will continue to collect your generous donations in room 106 and I will keep you updated on the total collection that Walter Reed is sending to LAUSD in partnership with supporting the Houston Unified School District. Thank you again for your support!

As a reminder, Monday is a school holiday. We ask that there are no drop-offs or pick-ups made in the staff parking lot. This is a District policy to ensure the safety of our students. After 3:30, or 2:00 on Tuesdays, all student pick-ups are through the Colfax gate. This includes students staying after school for musical theatre rehearsal or clubs. You may not use the staff parking lot to drop off or pick up students. Thank you for your help on this this.

On Friday, September 8th, students will bring home their 5 week progress report card. Please make sure to review this with your child and go to reedms.com to see the steps for signing up as a parent for the LAUSD PASSport platform, which will give you access to our new Schoology system. The Schoology system will allow you to see your child's progress on graded assignments and assessments as teacher's post data on the platform. We are looking forward to utilizing this new method of providing timely communication to students and parents!

Please complete your family meal application for LAUSD! Every student received an application and we need 100% participation to qualify for federal funding for our school. Please have your child return their paper application or you may follow the directions for the online application.

Finally, please check our [school website](#) to learn more about what's happening at Walter Reed this week and register or update your email for the Reed Network News.
