Principal Gamba's MESSAGE:

Greetings Walter Reed Families!

Our State testing has been going well and our special block testing bell schedule ended on Friday. This week our 6th graders will finish their testing and students who need make up time will go to the library. Thank you to our families, students, and staff for supporting our efforts in maintaining an effective environment for our students during testing. Please also note that there is a District math testing window from May 23 - June 3 for our 6th grade and Algebra students. This is an end-of-course assessment that contributes to determining student math course placement next year.

Our school calendar can be viewed at www.reedms.com. As we come to the end of our school year, I would like to highlight that we have grade level musical performances in our auditorium, a minimum day on Friday, May 27th, and a school holiday on Monday, May 30th. Our 8th grade culmination ceremony is on Thursday, June 9th, at 8:00 am. Please don't hesitate to contact our main office if you have any questions.

We look forward to seeing you soon and remember; I never fail, I either succeed or I learn!

Jeanne Gamba, Principal
Walter Reed Middle School
Office: 818-487-7600, Fax: 818-766-9069.
