Please Recycle:
Plastic Bottles,
Aluminum Cans and
clear plastic packaging.
Drop off bags to Reed
entry gates every
Monday
before and after
school.
Thank you !!!

Principal Gamba's MESSAGE:

Greetings Walter Reed Families!

Our 7th and 8th grade students will conclude their State testing in Math and English this week and our 6th grade students will begin their testing. Thank you to our students, staff, and families for helping to support our block testing schedule, which concludes on Friday, however testing for 6th graders and make up needs will continue through May 20th. Please also note that there is a District math testing window from May 23 - June 3 for our 6th grade and Algebra students. This is an end-of-course assessment that contributes to their student math placement next year.

Thank you to all who helped recognize Teacher Appreciation Week! Our staff was treated to notes, treats, and a luncheon sponsored by our Friends of Reed parent volunteers. Together we help make Walter Reed a rich learning community for our students!

Our 7th grade String Orchestra and Concert Band competed this weekend at the Disneyland Festival and both groups got 1st place with an excellent rating. Congratulations to our award winning students, our teachers Ms. O'Rourke and Mr. Rosen, and to continuing a legacy at our school that promotes the arts for our children!

We look forward to seeing you soon and remember; I never fail, I either succeed or I learn!

Jeanne Gamba, Principal
Walter Reed Middle School
