Principal Gamba's MESSAGE:

Greetings Walter Reed Families!

By now, students have returned their textbooks and cleaned out their lockers. Please check for any school items at home that need to be returned to the classroom, the library, or the textbook room.

Our 8th grade students have an opportunity to attend an 8-day summer bridge program at East Valley High School from June 27th - July 8th. The program introduces students to 9th grade level classes, helps with the transition from middle to high school and provides support in Math and English. For more information and to pick up an application, please see Ms. Najarian, the Diploma Project Counselor, in Room 102. The deadline to sign up is Wed., June 8th.

Our 8th grade culmination ceremony is on Thursday, June 9th, at 8:00 am. This is a reverse minimum day and students enter campus at 10:15am for a 10:25am class start time. Friday June 10th is the last day of school and is a minimum day with a 12:37 dismissal. Please don't hesitate to contact our main office if you have any questions or would like more information on these events.

Thank you to all of our families for their unwavering support for our school community and our children. We have accomplished more than ensuring the safety and academic success for our students; we have provided an environment for our students to explore their interests, make mistakes,

guide them in perseverance, and learn the power of
collaboration and how each student contributes to making a
difference in their classroom, school, and community. We
wish our 8th graders wisdom and kindness in their next life
journey and to our 6th and 7th graders, we wish you a safe
and adventurous summer and we look forward to welcoming
you to the new school year on August 18th!

We look forward to seeing you soon and remember; I never
fail, I either succeed or I learn!
