PRINCIPAL'S MESSAGE:

Good evening Walter Reed Families!

Our Annual Giving School Campaign continues to be a success thanks to all who have contributed. There are just a few weeks left to pitch in and support our public school and help us Create Possibilities at Reed! Remember, a donation in any amount counts!

Thank you to our PTSA and FOR for sponsoring the 'Meet the High Schools Night' last Wednesday. The event was an example of the passion and strength of our school learning community!

This Thursday is our PHBAO Parent Conferences, which is from 5:30 - 7:30. This is a time to visit your child's classroom, review their work & progress, and briefly meet with the teacher. We ask that you schedule an individual conference with the teacher if you need to have an in-depth dialogue regarding your child's performance. The 6th and 7th grade counselors are also hosting meetings starting at 5:00 to review culmination requirements and tips on supporting your child's academic and middle school success. Grade 6 will meet in the Auditorium and Grade 7 will meet in the Library.

On the following day, Friday, October 16th, there is a Minimum Day with dismissal at 12:37.

And now for some reminders: Registration for the PSAT will close next week and is available to the first 100 students. The cost is \$12.00 at the student store and students will take the exam during school on Monday, October 26th. In addition, our CARE Monday recycling program lets you drop off your plastic and aluminum items at one of 4 collection stations located on Colfax, Sarah, and Irvine. This is an easy way to help raise money for our school. Please check our school website, reedms.com, to see how you can help support our Fall

Please Recycle with us:

Each year, the National PTA Reflections program encourages students of all ages to explore and be involved in the arts in an educational way. Through the program, National PTA and PTAs across the country urge students in preschool through grade 12 to create and submit original works of art in the medium of their choice—dance choreography, film production, literature, music composition, photography or visual arts—reflecting on the annual theme. There also is a special artist division to provide all students the opportunity to participate in the program. Submissions are reviewed by visual, literary and performing art experts, and students are recognized for their artistic ingenuity to bring the theme to life.

Career Day November 5, 2016

Can you share your professional expertise with our students?

Our school will hold its annual Career/College Day on Thursday, November 5, 2015 from 8:00am to 10:17am. With your enthusiasm and dedication, it will be an exciting and promising event for all of us.

Each presenter will share 15-20 minutes (in 3 sessions) and some of the valuable information regarding their educational background as well as their Career Field and daily responsibilities. Presenters are encouraged to bring handouts, visual aids, brochures, etc.

Much of the strength and success of our Career/College Day comes from our great variety of presenters with our volunteer professionals. We need a few more presenters!

We sincerely hope we can count on your valuable participation for our event. Please R.S.V.P. your confirmation to Ms. Joan Giagni at jeg77231@lausd.net or you may call either

Ms. Joan Giagni or Ms. Theresa Demus in the Counseling Office between the hours of 8:00am - 2:30 pm.

We appreciate your consideration for participating in our Career/College Day!
