PRINCIPAL's MESSAGE:

Good evening Walter Reed Families!

Our Annual Giving School Campaign continues to be a success thanks to all who have contributed. There are just a few weeks left to pitch in and support our public school and help us Create Possibilities at Reed! Remember, a donation in any amount counts!

Thank you to our staff and students for a successful Shakeout Earthquake Drill held last week followed by our parent conferences. Thank you to all who participated in making these events a success!

And now for some reminders:

- Don't forget the **'Reed's Got Talent'** Talent Show will be Friday and will showcase art and entertainment from our students. Thank you to the Humanities Academy for sponsoring this great event!
- Registration for the PSAT will close on October 22nd and is available to the first 100 students. The cost is \$12.00 at the student store and students will take the exam during school on Monday, October 26th.
- In addition, our CARE Monday recycling program lets you drop off your plastic and aluminum items at one of 4 collection stations located on Colfax, Sarah, and Irvine. This is an easy way to help raise money for our school.
- Please check our school website, reedms.com, to see how you can help support our Fall FUNdraisers and October school events! You can also view our school calendar, which is updated regularly.

[Thank you and have a wonderful week.](#)

 from artists wishing to

"Let Your Imagination Fly . . . "

This year's theme should inspire your creations

Submission Deadline: November 2, 2015.

Categories: 1- Visual Art (Pen, ink, pencil, charcoal, paint)

2- Photography, 3- Film Production, 4- Choreography,

All work due to REED, Parent Center, Rm 106 by 4pm, 11/2/15.

Artists Gallery for the Valley Schools will be held in November. District, State, and National competitions will follow.

Each year, the National PTA Reflections program encourages students of all ages to explore and be involved in the arts in an educational way. Through the program, National PTA and PTAs across the country urge students in preschool through grade 12 to create and submit original works of art in the medium of their choice-dance choreography, film production, literature, music composition, photography or visual arts-reflecting on the annual theme. There also is a special artist division to provide all students the opportunity to participate in the program. Submissions are reviewed by visual, literary and performing art experts, and students are recognized for their artistic ingenuity to bring the theme to life.

Career Day November 5, 2016

Can you share your professional expertise with our students?

Our school will hold its annual Career/College Day on Thursday, November 5, 2015 from 8:00am to 10:20am. With your enthusiasm and dedication, it will be an exciting and promising event for all of us.

Each presenter will share 15-20 minutes (in 3 sessions) and some of the valuable information regarding their educational background as well as their Career Field and daily responsibilities. Presenters are encouraged to bring handouts, visual aids, brochures, etc.

Much of the strength and success of our Career/College Day comes from our great variety of presenters with our volunteer professionals. We need a few more presenters!

We sincerely hope we can count on your valuable participation for our event. Please R.S.V.P. your confirmation to Ms. Joan Giagni at jeg77231@lausd.net or you may call either Ms. Joan Giagni or Ms. Theresa Demus in the Counseling Office between the hours of 8:00am - 2:30 pm.

We appreciate your consideration for participating in our Career/College Day!
