PRINCIPAL'S MESSAGE:

Good evening Walter Reed Families!

The Fall season is well underway and I would like to recognize the Environmental Science Academy families and our Cadets for sponsoring and supporting our annual Rummage & E-Waste Collection event that took place this weekend at our school site. Thank you to our many Reed families that dropped off their goods, which will turn into fundraising dollars for our students! If you have items that you would still like to contribute, please contact Ms. Veronica Gonzales in the Parent Center.

We have a busy academic week ahead of us as students prepare for their final assignments and assessments for the first semester. After the one week Thanksgiving break we return to just three weeks of school before winter break. Student's, please check with your teachers this week regarding any work you can do during Thanksgiving break to help prepare you for the best final grade you can achieve for this Fall semester - you can do it!!

And now for some reminders: Fall brings the best of football and our students are busy at lunchtime and before school practicing their teams for the November 20th Turkey Bowl, an annual tradition that our parents are invited to attend. We look forward to having you in the cheering section for this fun event!

Finally, don't forget to bring your plastic and aluminum recycling to the campus curb on Monday for our CARE Recycling Program.

Thank you and have a wonderful week.

[Help LAUSD with School Calendar Survey](#)

LAUSD is in the process of developing a district calendar for the next three school years, and is seeking input from parents and school-based employees. Input from our stakeholders will help balance and shape the Board of Education's decision during the adoption process.

LAUSD has compiled information to assist stakeholders with the survey process. The following documents are attached:

- Calendar Survey Timeline (November 16 to December 6)- English, Spanish and Korean
