#### PRINCIPAL'S MESSAGE:

Good evening Walter Reed Families!

November and we are starting the month with the end of Daylight Savings Time. As we welcome shorter days of sunlight, it is more important than ever that our students who stay for after school programs are supervised by adults on campus. Students who are waiting for their pickup ride should remain on campus in the pavilion area where the Beyond the Bell staff is present for supervision. We ask students not to leave campus and come back for parent pick-up. Student safety is our priority. Parents, please remember to only allow crossing in the crosswalk and no parking in red zones or blocking our neighborhood driveways. Thank you for helping to maintain safety for our students and families.

I would like to thank the students of our Student Government, led by Ms. Bugyik and supervised by Dr. Jelin, for coordinating a successful spirit week and decorating our campus in the theme of College and Career Awareness Month with Monsters University décor. Students enjoyed a safe and fun theme each day and those who participated in three of more days of spirit wear will receive a wristband for an upcoming free-dress day. As we return this week to school, we ask students to be mindful of our school uniform policy, which will be checked by our school supervision aides at the start of period 1 classes.

Students, our teachers will be entering the 15-week progress grades later this week, and before you know it, the final 20-week grades will be issued. Now is the time to verify that your assignments are completed and you are utilizing your school agenda planner to calendar your activities and studies. If you would like to learn about after-school Math tutoring please see Mr. Demski in room 103, the SLC/Title 1 Office.

As a reminder for the month of November, there is no school on Veteran's Day, November 11th, or for the week of November 23rd. Also, don't forget to bring your plastic and aluminum recycling to the campus curb on Monday mornings for our CARE Recycling Program. Please check our school website, [reedms.com](http://reedms.com) to view our school calendar, which is updated regularly.

for recycling & helping our school!

Thank you and have a wonderful week.

*"I NEVER fail; I either succeed or I learn."*

### **Career Day November 5, 2016**

Can you share your professional expertise with our students?  
Our school will hold its annual Career/College Day on Thursday, November 5, 2015 from 8:00am to 10:20am. With your enthusiasm and dedication, it will be an exciting and promising event for all of us.

Each presenter will share 15-20 minutes (in 3 sessions) and some of the valuable information regarding their educational background as well as their Career Field and daily responsibilities. Presenters are encouraged to bring handouts, visual aids, brochures, etc.

Much of the strength and success of our Career/College Day comes from our great variety of presenters with our volunteer professionals. We need a few more presenters!

We sincerely hope we can count on your valuable participation for our event. Please R.S.V.P. your confirmation to Ms. Joan Giagni at [jeg77231@lausd.net](mailto:jeg77231@lausd.net) or you may call either Ms. Joan Giagni or Ms. Theresa Demus in the Counseling Office between the hours of 8:00am - 2:30 pm.

We appreciate your consideration for participating in our Career/College Day!

Each year, the National PTA Reflections program encourages students of all ages to explore and be involved in the arts in an educational way. Through the program, National PTA and PTAs across the country urge students in preschool through grade 12 to create and submit original works of art in the medium of their choice-dance choreography, film production, literature, music composition, photography or visual arts-reflecting on the annual theme. There also is a special artist division to provide all students the opportunity to participate in the program. Submissions are reviewed by visual, literary and performing art experts, and students are recognized for their artistic ingenuity to bring the theme to life.
