PRINCIPAL'S MESSAGE:

Good evening Walter Reed Families!

Our students have had an eventful kickoff to the month of November as our 7th and 8th grade students enjoyed presenters for career day and Ms. Adkins' students placed third in the District's Special Olympics soccer tournament. Thank you to our counselors who organized the annual career day and to Ms. Fox for coordinating and coaching our students in soccer. Fall brings the best of football and our students are busy at lunchtime getting ready for the November 20th Turkey Bowl, an annual tradition that our parents are invited to attend. We look forward to having you in the cheering section for this fun event!

As a reminder for this week, there is no school on Wednesday, November 11th in observance of Veteran's Day. In addition, students will be bringing home their 15-week grades on Friday. Students, now is the time to verify with your teachers that your assignments are complete and that you are utilizing your school agenda planner to calendar your activities and studies. If you would like to learn about after-school Math tutoring please see Mr. Demski in room 103, the SLC/Title 1 Office.

Don't forget to bring your plastic and aluminum recycling to the campus curb on Monday mornings for our CARE Recycling Program. In addition, our annual Rummage Collection Event will take place next weekend, November 13th-15th. Please help us by collecting your yard sale items and bring them to our school to help us raise money. Friends of Reed and the Environmental Science Academy urge every student to donate at least 2 bags of used clothing, toys and house goods. Check your child's backpack this week for a flyer on this annual event. Thank you and have a wonderful week.
