#### PRINCIPAL'S MESSAGE:

Good evening Walter Reed Families!

Our Fall Semester comes to a close this week and I wish to extend celebratory congratulations to our students for working towards their academic goals! You have achieved more than the traditional classroom learning through the activities and events you have participated in. The spring semester will continue to bring new opportunities for success and our school community looks forward to supporting you!

We hope you have enjoyed our school holiday celebration season by attending a holiday concert, visiting the school holiday boutique, or donating a new unwrapped toy or book to the Spark of Love toy drive. The holiday boutique has been extended Monday and Tuesday, and our final holiday instrumental concert is Thursday evening at 6:30pm. Student Council will coordinate a Holiday Relay event on Friday.

Thank you to the students and families that are helping to maintain our safe campus policy for after school pickup. As a reminder, any students who are still on campus 20 minutes after dismissal are required to wait in the cafeteria/pavilion area for their pick up. Students may sign in to the Youth Services after school program or sit in the pavilion area. This includes students who participate in any after school club, rehearsal, or activity. We do not allow students to wait in front of the school or around the perimeter of the campus to wait for their ride, as we have no ability to provide supervision in these areas. You may either call/text your child when you arrive, or park out front and walk through the gate to pick up your child. Your child's safety is our priority and we value your support in this policy.

And now for some reminders:

Report cards will be mailed home on Friday, December 18th, which is a minimum day with a 12:37pm dismissal. RASE classes and after school supervision will take place until 6pm. School will be closed for winter break from December 21st to January 8th. The spring semester begins on Monday, January 11th, 2016, with a regular school day. Upon our return, the RASE Session 3 calendar will be announced, with sample classes 1/19-1/22 and the Session 3 will start the week of 1/25/2016.

From my family to yours, we wish you a heartwarming holiday season and a restful winter break. May we all find a moment to reflect on the inspiration and generosity that makes our school community a rich experience for our students and families. My next phone call home will be in the New Year of 2016, so until then, have a wonderful week and I look forward to seeing you soon!
