clear plastic packaging.
Drop off bags to
Reed entry gates
every Monday
before and after school.
Thank you !!!

PRINCIPAL'S MESSAGE:

Good evening Walter Reed Families!

Parents and guardians, I have an urgent request for you to partner with us in ensuring our students' safety for after school pickup. Along with the drop-off and pick-up reminders for safety and neighborhood considerations, I ask that you join us in supporting our pickup policy for after school hours. Twenty minutes after the dismissal bell, we escort all remaining students back on campus to wait for their ride. Students may sign in to the Youth Services after school program or sit in the pavilion area. This includes students who participate in an after school club, rehearsal, or activity. We do not allow students to wait in front of the school or around the perimeter of the campus to wait for their ride, as we have no ability to provide supervision in these areas. You may either call/text your child when you arrive, or park out front and walk through the gate to pick up your child. Your child's safety is our priority and we value your support in this policy.

We hope you join us this week in welcoming the holiday season by attending a holiday concert, visiting the school holiday boutique, or donating a new unwrapped or book for the Spark of Love toy drive, sponsored by the National Junior Honors Society and Student Council! Please check our website, www.reedms.com, or check for a flyer in your child's backpack to learn more.

And now for some reminders:

Students are preparing for their culminating assignments and assessments for their fall semester final grades. Parents, please check your child's agenda planner to help support their academic work and time management. Student's, please check with your teachers this week to catch up on any work due. Teachers will start submitting final grades this Thursday and the report cards will be mailed home on Friday, December 18th, which is a minimum day with a 12:32pm dismissal. School will be closed for winter break from December 21st to January 8th. The spring semester begins on Monday, January 11th, with a regular school day.

Finally, don't forget to bring your plastic and aluminum recycling to the campus curb on Monday mornings for our CARE Recycling Program.

Thank you and have a wonderful week!

"I NEVER fail; I either succeed or I learn."

Jeanne Gamba, Principal
Walter Reed Middle School
