### PRINCIPAL'S MESSAGE:

Greetings Walter Reed Families, from Principal Jeanne Gamba!

We look forward to welcoming you back from spring break and looking towards some exciting spring school events. Please come out and support our award winning music department as their vocal and instrumental concerts get underway later this week.

I would like to remind our grade 6 families that if your child has not yet received their Tdap vaccination then they can take advantage of a free clinic at Walter Reed on Friday, April 1st. Students cannot start 7th grade without the Tdap vaccination recorded in our school system and our deadline is fast approaching. Please contact the main office or our school nurse for the paperwork needed for your 6th grade child to receive the Tdap at our free school clinic on April 1!

Finally, I would like to recognize the students and teachers who participated and supported our soccer Bunny Bowl before our break - GREAT TEAM WORK! And please give a shout out to Ms. Sofio's 6th grade science students who competed in the LA County Science Fair on March 18. Honorable Mentions were awarded to three of our students as well as one of our students winning third place and a spot at the State competition. We look forward to recognizing these students in our morning PA announcements and congratulations to all of our students who engaged in the process of scientific investigation and inquiry!

Thank you and have a wonderful week!

*"I NEVER fail; I either succeed or I learn."*

Jeanne Gamba, Principal  
Walter Reed Middle School
