Dear 8th grade parents,

January will be here before you know it. The second semester is very busy time for our 8th graders.

Our students have work so hard to make it to their culmination, the school and parents would like to make their last few months at Walter Reed unforgettable. Many of this activities required volunteer hours. Please come to the meeting on Monday, January 29th to find out how you can help to make sure that all the events for the 8th graders take place. We need help in many categories: moving items, decorating, making fliers, getting vendors and getting sponsors.
