

On Wednesday, September 13th at 6:30pm, Millikan Math Academy will be hosting the award-winning documentary SCREENAGERS in Burrill Hall.

For those of you not familiar with the movie, SCREENAGERS takes a hard look at the messy struggles over social media, video games, academics, internet addiction and how this technology is affecting our society. Through surprising insight from authors and brain scientists, solutions emerge on how we can empower kids to best navigate the digital world.

This event is open to everyone -- parents, students and the community. The events starts at 6:30pm and ends at approximately 8:15pm. Pizza, snacks and beverages will be sold before and after the movie.

We hope that you will be able to join us for this event.
