

RNN - Reed Network News for the Week of May 14, 2018

Principal's Message

Mensaje semanal de la escuela de la Sra. Gamba- Principal

Greetings Walter Reed Families!

Congratulations to our students for focusing their best effort on their State tests these last two weeks! We will return to our regular bell schedule on Monday and students will be making up testing this week as well as taking the 8th grade science testing.

Please make sure to join our end-of-year PTSA / Friends of Reed meeting on Wednesday, May 16th beginning at 5:30 with a potluck and elections for next school year. Incoming families are invited and we will have a guest speaker from the Choose Love Movement. Please note that due to a last minute change in her schedule, Scarlett Lewis will be traveling to Washington DC on Wednesday to meet with officials at the national level to discuss her Choose Love Movement. Therefore, we invite our community to join us when she presents to our staff on Tuesday, May 15th, in the Auditorium from 1:45 – 3:00. For our Wednesday PTSA meeting, Ms. Lewis has arranged for her personal staff to deliver her presentation. We look forward to this unique opportunity to learn about her powerful message on the value of recognizing the importance of our children's social emotional health.

We have several end-of-year events starting this week and I ask that you continue to check our calendar on our reedms.com website to stay up to date with new postings or changes. Don't miss our free movie night of 'Coco' on the big screen this Friday in Schall Park! Bring your picnic blanket, lawn chair and an appetite for movie concessions that will be on sale to enjoy with your friends and family!

To close, I would like to thank the many parents and students who shared their special appreciation this last week to our teachers and staff during National Teacher Appreciation week! We greatly

appreciate the kind words, gifts, and Friday luncheon you provided. On Friday, I learned that one of our own teachers at Walter Reed, Ms. Joyann Sofio, has been named Teacher of the Year from LAUSD! Ms. Sofio is one of 22 teachers in the district to receive this prestigious award, which recognizes her exemplary and creative teaching that makes a difference in the lives of her students, her school and our community. We send our warmest congratulations to Ms. Sofio and all of our teachers who support the learning and growth of our children every day!

**Happy Mother's Day, and remember, I NEVER fail;
I either succeed or I learn.**
