

RNN - Reed Network News For the Week of May 7, 2018

Principal's Message

Mensaje semanal de la escuela de la Sra. Gamba- Principal

Greetings Walter Reed Families!

After receiving an anonymous letter last week that raised concerns about the safety of our staff, law enforcement conducted an investigation and found that there is no credible safety concern.

There was a presence of School Police and LAPD on our campus last Friday to ensure the safety and well-being of our entire school community. As we look forward to returning to school on Monday, our District resources will continue to be available for support if needed.

As a reminder, Monday begins our Mathematics section of the State tests and our students demonstrated their best focus and hard work during our English Language Arts section that took place last week.

As a reminder, we will continue with our block bell schedule this week and we request that you avoid taking your child out of school for any appointments. Visit our school website at reedms.com to view the testing bell schedule and a link to the State testing website which provides resources on the Smarter Balance testing and practice questions.

Please mark your calendar for a parent meeting on Math Pathways for Middle and High School, this Thursday in the Auditorium

Saludos familias de Walter Reed!

Después de recibir una carta anónima la semana pasada que generó inquietudes sobre la seguridad de nuestro personal, la policía realizó una investigación y descubrió que no existe una preocupación de seguridad creíble. Hubo presencia de la Policía Escolar y LAPD en nuestro campo escolar el viernes pasado para garantizar la seguridad y el bienestar de toda nuestra comunidad escolar. Mientras esperamos regresar a la escuela el lunes, nuestros recursos del Distrito continuarán estando disponibles para apoyo si es necesario.

Como recordatorio, el lunes comienza nuestra exámenes estatales en la sección de Matemáticas y nuestros estudiantes demostraron su mejor enfoque y trabajo duro durante nuestra sección de Artes del idioma inglés que tuvo lugar la semana pasada. Como recordatorio, continuaremos con nuestro horario de campana esta semana y le pedimos que evite sacar a su hijo de la escuela para cualquier cita. Visite el sitio web de nuestra escuela en reedms.com para ver el calendario y horario de exámenes y un enlace al sitio web de pruebas estatales que proporciona recursos sobre las pruebas de Smarter Balance y preguntas de práctica.

Por favor marque su calendario para una reunión de padres en Math Pathways para la escuela secundaria y preparatoria, este jueves en el Auditorio a partir de las 5:30.

starting at 5:30. Also, please make sure to join our end-of-year PTSA / Friend of Reed meeting on Wednesday, May 16th starting at 5:30 with a potluck and elections for next school year. Incoming families are invited and Scarlett Lewis is our guest speaker from the Choose Love Movement.

I would like to recognize a special group of 8th grade students from our Media Arts & Technology Academy for coming in first place among over 400 middle schools in Southern California who participated in a 10-week virtual Stock Market Game competition! Ms. Hermes' technology class had several student groups start with a virtual 100K investment and the Money Munchers team had the greatest profit against our daily volatile market!

In addition, another student group in the same class came in 4th place overall! Our Money Muncher team will receive a special award later this month in El Segundo!

Also, a big congratulation to our Walter Reed Team that went to the school games sponsored by the Special Olympics! The relay team won first place in the 400 meter and students also won first, second, and third place in the 50 and 100 meter dash.

Lastly, our music department participated in the annual Music in Parks at Disneyland this weekend and our Choirs, String Orchestra and Band all earned top awards with Superior ratings! Most impressive, was that one of our 8th grade students earned the Top Soloist award and our UpBeat!

Show Choir earned Top Choir of the entire Festival. You will have a chance to see our award winning students when they have their final school performances starting the week of May 14th

... check the online school calendar to view each event!

We look forward to seeing you soon, and remember, I NEVER fail; I either succeed or I learn.

Además, asegúrese de unirse a nuestra reunión de PTSA / Friend of Reed de fin de año el miércoles 16 de mayo a partir de las 5:30 con una comida y elecciones para el próximo año escolar.

Todas las familias están invitadas y Scarlett Lewis es nuestra oradora invitada del Movimiento Choose Love.

Me gustaría reconocer a un grupo especial de estudiantes de octavo grado de nuestra Academia de Artes y Tecnología de Medios por haber obtenido el primer lugar entre más de 400 escuelas intermedias en el Sur de California que participaron en una competencia virtual de 10 semanas del Mercado de Valores. La clase de tecnología de la Sra. Hermes hizo que varios grupos de estudiantes comenzaran con una inversión virtual de 100K y el equipo de Money Munchers tuvo las mayores ganancias contra nuestro volátil mercado diario. ¡Además, otro grupo de estudiantes en la misma clase entró en 4to lugar en general! ¡Nuestro equipo de Money Muncher recibirá un premio especial a finales de este mes en El Segundo!

¡También, una gran felicitación a nuestro equipo Walter Reed que asistió a los juegos escolares patrocinados por Olimpiadas Especiales! El equipo de relevos obtuvo el primer lugar en los 400 metros y los estudiantes también ganaron el primer, segundo y tercer lugar en los 50 y 100 metros lisos.

Por último, nuestro departamento de música participó en la edición anual de Music in Parks en Disneyland este fin de semana y nuestros Coros, Orquesta de cuerdas y Band obtuvieron todos los premios principales con calificaciones superiores. Lo más impresionante fue que uno de nuestros estudiantes de 8^o grado obtuvo el premio Top Solista y nuestro UpBeat. Show Choir ganado Top Choir de todo el Festival. Tendrás la oportunidad de ver a nuestros estudiantes galardonados cuando tengan sus actuaciones escolares finales a partir de la semana del 14 de mayo ... ¡consulta el calendario escolar en línea para ver cada evento!

Espero verlos pronto y recuerden: Yo Nunca Falló; Yo tengo Éxito o Yo Aprendo.
