Dear Parent/Guardians,

Welcome to Walter Reed's Back to School Night. This event will give you an opportunity to follow your child's schedule, meet all of their teachers, understand classroom expectations, and grading policies. If needed, schedule individual conferences with the teachers on another date. Please have your child record their class schedule on the back of this brochure for you to follow. Announcements will be made from the main office over the loud speaker and bells will ring to indicate the change in periods. We look forward to a successful school year. Thank you for taking the time to join us, and most importantly selecting, WRMS for your child's middle school education.
