PSAT™ 8/9

PSAT 8/9

Will be given at Walter Reed Middle School
on

Saturday November 3rd

7:45 AM

A Head Start

The PSAT 8/9 helps students determine what they need to work on most so that they're ready for college when they graduate from high school—and it supports educators as they guide the way.

The PSAT 8/9 tests the same skills and knowledge as the SAT, PSAT/NMSQT, and PSAT 10—in a way that makes sense for eighth and ninth graders. It measures what they're already learning, shows them whether they're on track for college, and lets them know where they need the most improvement. That means students have time to tackle these areas long before they take the SAT.
