The Smaller Learning Communities at Walter Reed Middle School invite you to an

ORIENTATION

Prospective Students & Parents

Wednesday, October 17, 2018

**6:00 PM to 8:00 PM
School Auditorium**

Walter Reed Middle School is a vibrant community of more than 1,600 scholars housed in 6 Smaller Learning Communities:

- **Environmental Science Academy**
- **Global Leadership Academy**
- **Humanities Academy**
- **Individualized Honors Program**
- **Media Arts & Technology Academy**
- **STEAM Academy**

All of Reed's SLCs are project-based with collaborative cross-curricular assignments utilizing advanced library research curriculum. Reed's enrichment classes, clubs, sports, academic competitions, leadership opportunities and performance venues are open to all students, regardless of SLC enrollment: an advantage of attending our large and diverse middle school! We offer lecture classes in Geometry and Algebra 2 to students ready to accelerate. This year Reed students live in 75 different zip codes, speak 23 different languages, and come from 39 different countries. Reed is committed to educating all of our students to their maximum potential.

SLC Brochures, SLC Placement Requests for feeder area students, IHP Application materials, SAS and other student permit information for out-of-area students, and sign-up instructions for SLC tours (November – January) will be distributed at this event.
