Principal's Message

Mensaje semanal de la escuela de la Sra. Gamba- Principal

Greetings

There is no school on Monday in observance of Cesar Chavez, and when we return on Tuesday our students will hit the ground running as they work on culminating class activities, many of which will be on display for Open House on Thursday, April 11th, from 5:30 – 7:30. Parents, this is a friendly reminder that we do not accept drop-offs for class assignments and projects. Please allow your child to take responsibility for their work materials and personal items. **On Tuesday after school, many of our students will also be joining the Walk 4 Water event. Please remember to bring the signed registration form that can be found on our school website, reedms.com.** For every lap walked on the athletic field, a raffle ticket is earned towards prizes that will be awarded after the event. This has been a successful fundraiser that will bring water bottle filling stations onto campus. Thank you to all the families who have already gone online and helped raise money for this great cause!

Spring time brings school competitions and concerts, which is an exciting time of year for our students to take pride in their hard work. I would like to recognize our students who were out this weekend for a Math Counts competition, a Show Choir competition, and the LA County Science and Engineering Fair. The coming weeks will bring additional competitions and opportunities for our students to demonstrate their learning and passion for their specialized interests. A special 'thank you' goes out to our teachers who bring these unique opportunities to our Walter Reed students!

To close, I would like to advise you that late Friday, on March 22, a staff member found a torn sweatshirt bearing the image of a swastika discarded in a trash can in the main building. School staff has been unable to determine who owned the garment. We are deeply disturbed by this incident and we remain committed to educating our students about cultural and religious diversity and the important values of tolerance and inclusion. We ask you to please talk to your child about these values and encourage them to follow the district's message, if you see something, say something.

We look forward to seeing you soon, and remember, I NEVER fail; I either succeed or I learn.

NO SCHOOL MONDAY, APRIL 1, 2019

In recognition of César Chávez Day, all LAUSD schools will be closed on Monday, April 1.

APRIL IS EARTH MONTH

EARTH DAY TIP
A MESSAGE FROM THE
ENVIRONMENTAL SCIENCES
ACADEMY

Turn OFF your engines!

Idling is when a driver leaves the engine running while the vehicle is parked. An Idling car can release as much pollution as a moving car. Please help make the air healthier and help the environment by not releasing unnecessary carbon dioxides (a primary contributor to global warming) by turning off your engines while waiting for your kids after school.

RECYCLING PROGRAM!

Friends of Reed and the Environmental Science Academy has partnered with LA Conservation Corp to help earn money through a cans and bottles recycling program at our school. Please put only cans and bottles in the designated bins on campus.

Having a party? Recycle at work? Bring those in too! Please drop off at the Troost gate or Schall Park by our garden.
