Principal's Message

Mensaje semanal de la escuela de la Sra. Gamba- Principal

Greetings, Walter Reed Families!

This is our school message for the week of April 22nd, 2019.

I hope you had a restful and enjoyable spring break. School resumes tomorrow, Monday, April 22nd, and students will be preparing for CAASPP State Testing, which starts on Monday, April 29th – Friday, May 10th. Our testing bell schedule and resources to support your child with successful test taking tips are on our school website, reedms.com.

Also on our school website is information and ticket sale links for the 8th grade dance, 8th grade grad night, and Walter Reeds 80th Birthday Bash! Also, please note that the 8th grade dance ticket sales have been extended until Friday, April 26th for \$20.00. Tickets purchased at the door on the 27th will be \$30.00.

Recently the Los Angeles Unified Board of Education voted to place Measure EE on the ballot in a special local school funding election on June 4, 2019. If approved by 66.67% of voters in a special election on June 4, 2019, Measure EE would provide funding to support Los Angeles public schools through a 16-cent per square foot school parcel tax for 12 years. Senior citizens and certain low-income property owners with disabilities would be eligible for an exemption. Measure EE funds would be used to retain and attract quality teachers, reduce class sizes and support instructional programs in arts, music, science, technology, English and math. By law, all Measure EE funds must be used to support LA public schools and could not be taken by the State. As a reminder, the deadline to register to vote in the June 4 election is Monday, May 20. More information about Measure EE and about voting in the June 4 election is available at www.MeasureEELAUSD.org.

We look forward to seeing you soon, and remember, I NEVER fail; I either succeed or I learn.

EARTH DAY TIP
A MESSAGE FROM THE
**ENVIRONMENTAL
SCIENCES ACADEMY**

APRIL IS EARTH MONTH

CELEBRATE EARTH DAY **APRIL 22, 2019**

Earth Day is an annual event observed on April 22 supporting environmental protection. It began in the United States in 1970 as a protest against the negative impacts of industrial development on the environment. The event had a great impact and resulted in the creation of the Environmental Protection Agency and strong environmental laws in the US such as the Clean Water Act

and the Endangered Species Act. Over the years, Earth Day became a global event and today it is celebrated in more than 193 countries.

Friends of Reed Board Meeting

RECYCLING PROGRAM!

Friends of Reed and the Environmental Science Academy has partnered with LA Conservation Corp to help earn money through a cans and bottles recycling program at our school. Please put only cans and bottles in the designated bins on campus.

Having a party? Recycle at work? Bring those in too! Please drop off at the Troost gate or Schall Park by our garden.
