Principal's Message

Mensaje semanal de la escuela de la Sra. Gamba- Principal

Greetings

To start with, I would like to celebrate the success of our Walk 4 Water event that took place Tuesday after school. Students, staff and parent volunteers participated in this fun and educational event. Over \$8,000 was raised from the online platform First Giving, and along with monies raised in the past year from three Walter Reed 8th grade Girls Scouts for this project and a 6th grade STEAM Academy Energy Saving competition, in total \$14,000.00 was raised for a filtered water station! We hope to see this new bottle filling station, which will be located in the pavilion area, in the coming month. Thank you to everyone who made this endeavor a reality! Together we can accomplish great things!

This week we look forward to our 6th grade science fair on Tuesday, our soccer Bunny Bowl on Thursday, our Open House on Thursday evening from 5:30 – 7:30, and a minimum day with a 12:37 dismissal on Friday. Parents, as a reminder, you are invited to the science fair and the Bunny Bowl! Please don't miss out on seeing your child in these unique and exciting school activities. Our Open House will also be an opportunity to view your child's learning projects and celebrate their academic accomplishments. Please check our school website, reedms.com, to view our Open House schedule.

As a reminder, school will be closed for Spring Break from April 15th – April 19th. When we return on April 22nd, we will begin our final preparations for State Testing, which starts on Monday, April 29th – Friday, May 10th. We will be sharing resources and more information with you so that you can help your child do their best on these important assessments.

Finally, tickets are now on sale for the 8th grade dance, 8th grade grad night, and Walter Reed's 80th Birthday Bash! Details below, and on our school website.

We look forward to seeing you soon, and remember, I NEVER fail; I either succeed or I learn.
