Principal's Message

Mensaje semanal de la escuela de la Sra. Gamba- Principal

Greetings, Walter Reed Families!

This is our school message for the week of May 20th.

Our many parent volunteers make our school community thrive in so many ways. On May 30th we will honor our parent volunteers at a luncheon in the library to recognize their many contributions to our school this year. Kindly RSVP by May 24th by visiting our school website, or use the link below.

We are approaching the final weeks of our school year and we look forward to preparing our 8th grade students for Culmination! Please read details regarding Culmination eligibility and 8th grade events on our school website, or use the links below. Other end of school year instructional activities are taking place during the school day and in the evenings. Don't miss these final opportunities to participate and celebrate in your child's learning at Walter Reed!

As a reminder, Friday is a minimum day with dismissal at 12:37 and Monday is a school holiday. Every day counts and when you miss school, we miss you! Keep Walter Reed on track for achieving excellent attendance by being in school every day!

6th grade students who have not yet brought in their Tdap vaccine record have just a few weeks to get this done. Please see the school nurse if you have any questions and remember that you cannot start 7th grade without getting the Tdap vaccine. We need to update all 6th grade vaccination files before the end of the school year, so please make this a priority if you have not done so already.

Finally, last Friday I informed you that the individual who had been arrested near our school last October and sentenced to jail had been released prior to the scheduled date of June 5, 2019. LAUSD has taken appropriate actions to ensure the safety and well-being of our students and staff. For example, we will continue to have a school police officer on campus daily through the end of the school year and we are installing a screen fence

around the campus. We ask that you continue to encourage your child to follow the district's message, if you see something, say something.

We look forward to seeing you soon, and remember, I NEVER fail; I either succeed or I learn.
