

WOLF MESSENGER

VISION: Walter Reed Middle School’s vision is to provide its students with the ability to read, write and speak clearly; access information in a variety of ways, and become critical thinkers, by practicing problem solving in academic and societal situations. Walter Reed practices standards-based instruction in order to help all students achieve mastery of the California State Standards in each content area.

MISSION: Reed’s mission is for its community of parents and staff to work together to make the students responsible citizens. This is exemplified by student involvement in their multi-cultural community and their ability to resolve interpersonal conflicts. Reed holds certain beliefs about its students.
